

Build on Your Land Program

When Choosing Atlantic Builders to Build On Your Land, here are the advantages that you will receive.

- A Builder with strong experience in building on a customer's own home site.
- A Builder that offers a variety of floor plans that can adapt to the topography of a customer's home site.
- A Builder that has the purchasing power to ensure you receive the best cost for high quality material and labor. Such savings are passed along to you, the Homeowner!
- A Builder that will stand behind the trade partners building your home and the goods and services used. Your home will have an outstanding Professional Warranty Service Corporation 2/10 Warranty.

Our Preferred Lenders can provide Construction to Perm Loan Packages that will provide you the best financing options for your Brand New Home. We have worked with these Lenders for many years and trust them to provide you with unparalleled customer service.
