The Radford II's spacious, airy design begins with a 2-story foyer flanked by expansive living and dining rooms. The generous-sized family room opens to a well appointed kitchen with center island and breakfast nook. The main level also features a private study/optional 5th bedroom with a full bath or 2nd Owner's Suite. Upstairs, the wide hallway landing leads to a spectacular owner's suite with cathedral ceiling, dual walk-in closets, and a pampering bath with separate shower and soaking tub.
