LOWER LEVEL

{ Elevation 3 }

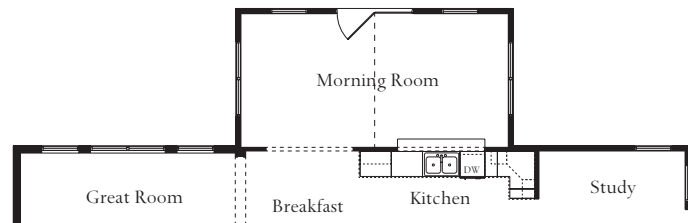

Atlantic Builders brings you spacious openness with a classic flair at The Whitman II. Experience a grand 2-story foyer with dramatic vistas of the formal living and dining room, as well as a stunning sight line all the way to the back of the family room. The dual sided staircase allows the family to access the upper floor from the foyer or the kitchen. The Executive kitchen features a large center island, an oversized breakfast area and large walk-in pantry. The private study and laundry room are just beyond the kitchen and make family organization simple to maintain. The upper level includes a magnificent Owner's Suite featuring a sitting area, dual walk-in closets and a sumptuous garden tub and walk-in shower. Three bedrooms and two baths complete the upper level which has an option for a bonus room and upper laundry area as well. The lower level can be finished to have a recreational room, den, media room, full bath and wet bar. Please note that the elevation may show optional features, such as Elevation 3 and the side-load garage.
