

# The Bridgewater II

Optional Lower Level At Extended Great Room & Master Bedroom Elevation 1

LOWER LEVEL

{Elevation 3}

{Elevation 2}

{Elevation 1}

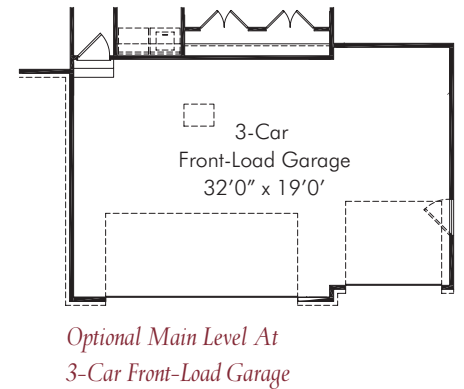

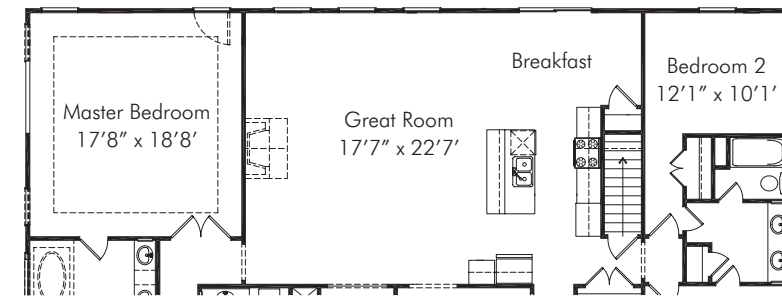

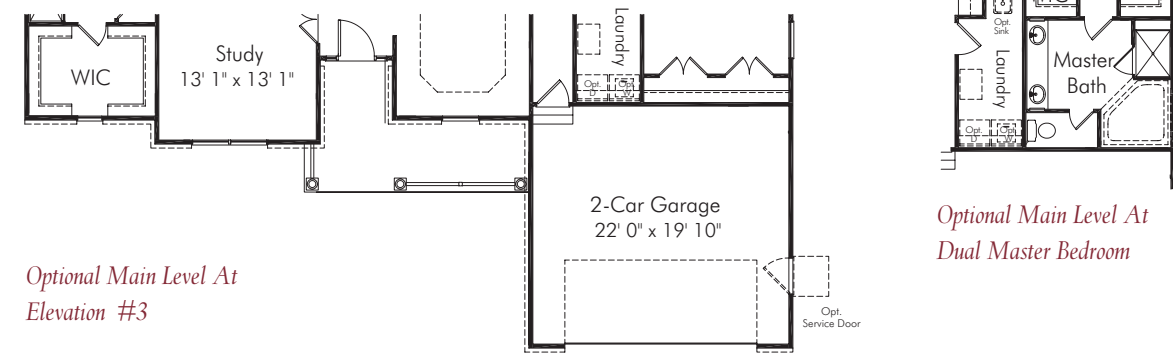

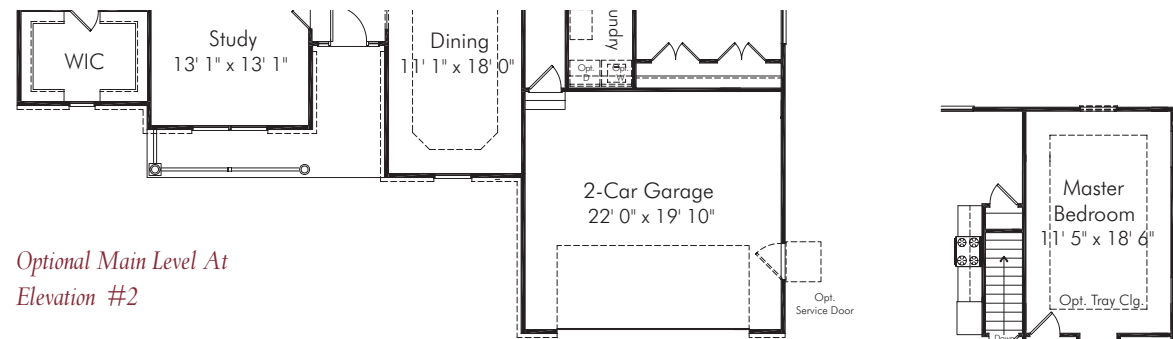

This spacious 3 bedroom 3 bath home offers main level living in an updated design. The light filled kitchen and breakfast nook join the great room in creating an open floor plan designed for family living or entertaining. The master suite features dual walk in closets and a luxury bath with dual vanities, over sized shower stall and space for an optional soaking tub. Bedrooms 2 and 3 shared a dual vanity bath with separate space for the tub/ shower combo and water closet. Truly a flexible floor plan, there are options for a 4th bedroom with adjoining bath in lieu of the study, a second master bedroom suite and an extension to the master bedroom and great room. Options for a side load garage or 3 car garage are available as well as finishing options in the lower level for a rec room, den, hobby room and full bath. This home starts at 2300 square feet.
