*Partial lower level with opt. extended great room*

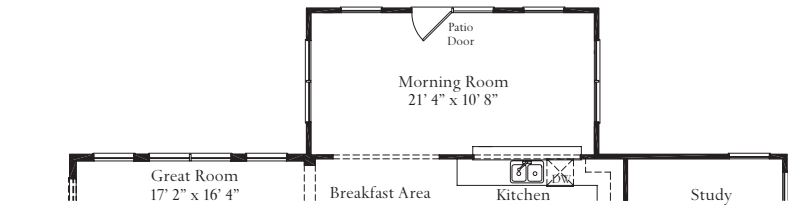

LOWER LEVEL

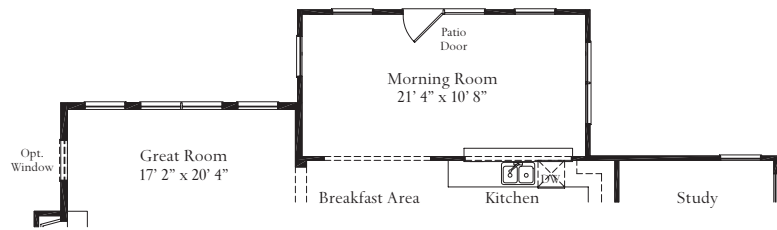

{ Elevation 2 }

Atlantic Builders brings you spacious openness with a classic flair at The Whitman. Experience a grand 2-story foyer with dramatic vistas of the formal living and dining room, as well as a stunning sight line all the way back to the family room with gas fireplace and marble surround. The gourmet kitchen features a center island and a room-sized breakfast area. You will even find a private study leading to a laundry room and large walk-in pantry, both tucked away in the back of the home. The upper level includes a magnificent Owner's Suite featuring a sitting area with a cathedral ceiling, dual walk in closets and a sumptuous garden bath. Not to mention, plenty of flex space and options to suit most every lifestyle.
