EMERGENCY SERVICE*

***As defined by the Limited Warranty, an emergency includes situations such as:**

- **Total loss of heat when the outside temperature is below 45 degrees F.**
- **Total loss of electricity. (Check with the utility company before reporting this circumstance to Atlantic Builders or the electrician.)**
- **Total loss of water. (Check with the water department to be certain the problem is not a general outage in the area.)**
- **Plumbing leak that requires the entire water supply to be shut off.**
- **Gas leak. (Contact your utility company or plumber if the leak is at the furnace or water heater supply.)**
