You will find charm everywhere you look in The Chelsey, beginning with a sunlit 2-story foyer that introduces the main level of the home.

A private library sets itself apart, while the living room flows directly into the elegant dining room. At the back of the home, the well-appointed kitchen and breakfast nook open to a spacious family room. Upstairs, the palatial owners suite features dual walk-in closets and light-filled garden bath with separate shower, soaking tub, and dual vanities. Elevation Drawings show Optional Features.
