

The Griffin

{ Craftsman }

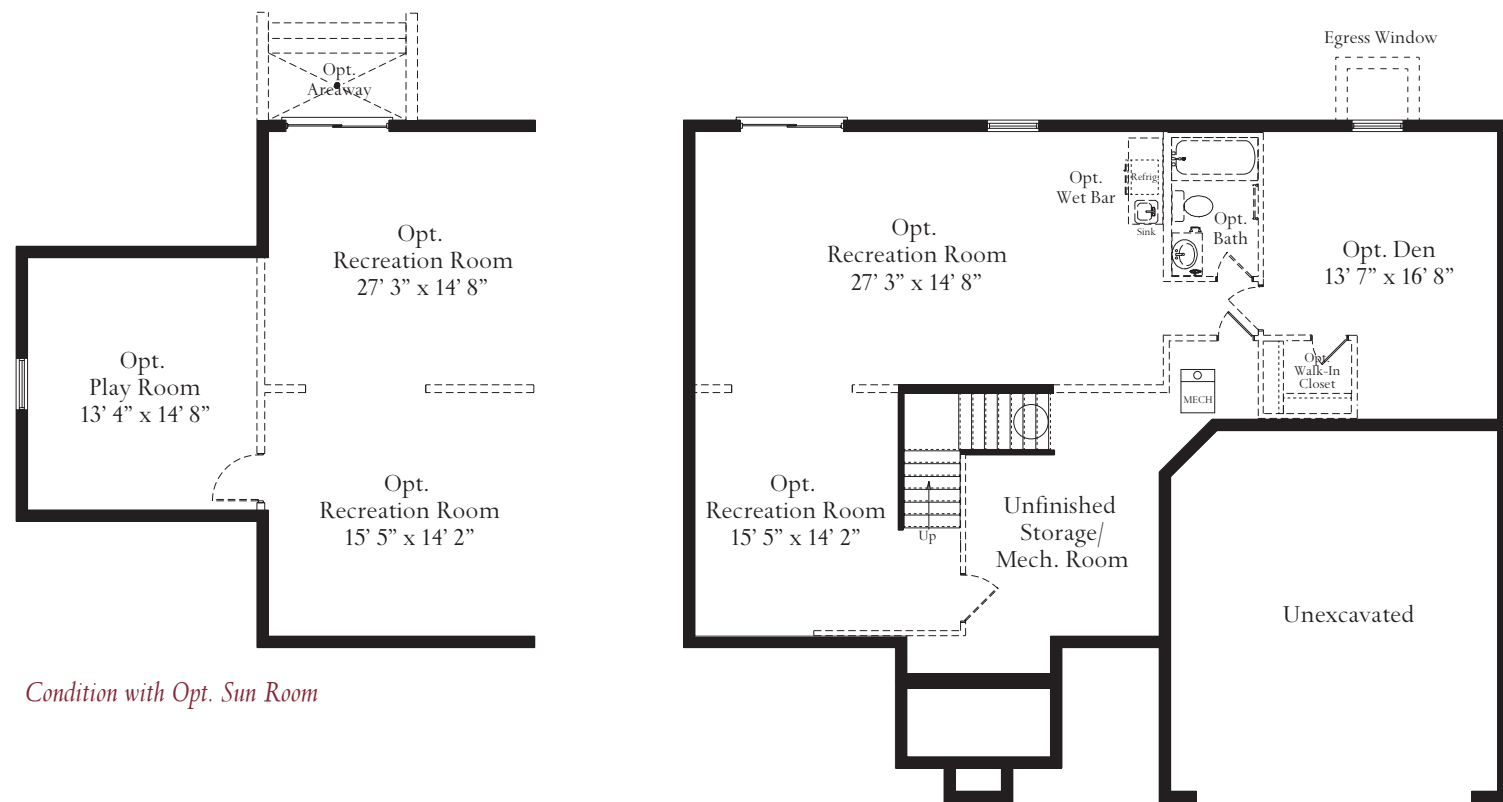

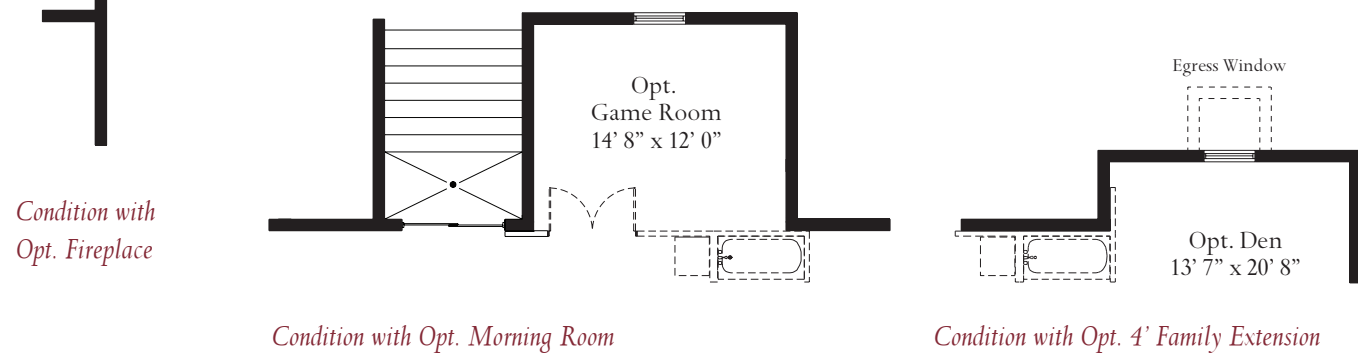

{ Eastern Seaboard Front-Load Garage }

{ Eastern Seaboard with Portico }

{ Farmhouse with Partial Stone }

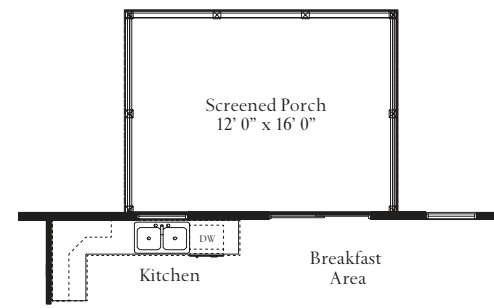

{ LOWER LEVEL }

Welcome to the Griffin, a delightful family home. The grand two story foyer is welcoming and leads you to the living room on one side or down the hall to the kitchen, breakfast nook and family room, which are generously sized and offer space for a gathering of friends or family. The family dining room is adjacent to the living room and provides ample space for entertaining. Upstairs, the master bedroom, complete with a luxurious bath and walk in closets is joined by three additional bedrooms and a full bath. With the laundry room on the upper level, convenience is just steps away. The full lower level can be finished to include a recreation room, full bath and den. This home starts at 2565 sq. ft.
