The Montvale offers a unique design for great entertaining and a comfortable retreat for day-to-day living. This inviting floor plan features many amenities on the main floor including a formal dining room, a centrally located powder room, and an open concept great room and kitchen area with a center island and a large walk-in pantry. A mud room is located off the two-car garage and includes a walk-in closet to accommodate all of your outdoor apparel and accessories. The main floor offers nine-foot ceilings throughout. Details such as the optional gas fireplace in the great room and the optional box ceiling in the dining room add charm and utility. The laundry room is conveniently located upstairs, along with a massive owner's suite, three additional bedrooms, and two full baths. The attention to detail and use of space makes this desirable home one-of-a-kind. The lower level offers options to finish the rec room, bathroom and den.
